

Dr Catherine Berens is the Deputy Head of Unit 'Combatting Diseases' in the People Directorate of the European Commission's Directorate-General for Research and Innovation (DG RTD). She was trained as a pharmacist and obtained her PhD in Pharmaceutical Sciences from the Catholic University of Louvain in Belgium. After having worked for the European Directorate for the Quality of Medicines & HealthCare (European Pharmacopoeia, Council of Europe, Strasbourg), she joined the European Commission in Brussels in 2002, as a Scientific Officer in charge of Rare Diseases in the Health Directorate of DG RTD. From 2012, she worked as a Policy Officer for Pharmaceuticals in then-Directorate-General Enterprise and Industry, dealing with pricing and reimbursement of pharmaceuticals, and access to medicines. In 2014 she was appointed Head of Sector Neuroscience in DG RTD, and from September 2016, worked as the Assistant to DG RTD's Deputy Director-General in charge of Research Programmes. She was appointed Deputy Head of Unit 'Strategy' in DG RTD's Health Directorate in 2018, Deputy Head of Unit 'Healthy Lives' in DG RTD's People Directorate in 2019, and became Deputy Head of Unit 'Combatting Diseases' in 2021.
